

Reading Street Tutorials:

For training videos and documents for Reading Street/Pearson SuccessNet go to:

1. <http://mypearsontraining.com/>
2. Under the **“Find your Training”** box, towards the bottom of the screen, select your teacher level, subject, and program (Elementary, Reading, Reading Street)
3. Under the **“Program Tutorials”** tab, you will find tutorials and program overview.
4. Click on the **“SuccessNet”** tab to find tutorials for Pearson SuccessNet (including a video on how to set up classes).

The screenshot shows a web browser window with the URL <http://mypearsontraining.com/products/readingstreet/2011/tutorials.asp>. The page features the Pearson logo and navigation links for Home, PreK, Elementary, Middle School, High School, SuccessNet, SuccessNet Plus, and On-site Prof Dev. Below the navigation is a banner for Reading Street with the text "Scott Foresman Reading Street © 2011" and buttons for "Online Tutorials", "Available Webinars", and "FAQs". Two tabs are visible: "Program Tutorials" and "SuccessNet". The "Program Tutorials" tab is active, displaying a table of tutorials.

Watch	Tutorial Title	Description	Tutorial Guide
	Program Overview (23:08)		
	Getting Started on Reading Street		
	Getting Started on Calle de la Lectura		
	Planning for Instruction (4:41)		
	Calle de la Lectura: Planning for Instruction		
	Reading Street and RtI		
	Reading Street and the Balanced Literacy Classroom
