

Compass Learning Odyssey

Odyssey is an on-line curriculum aligned with state and national standards. It was purchased by our district for the benefit of all students. It covers all subject areas and grade levels. It provides a high level of interest for students. Odyssey is researched-based and a great RTI tool. It can be used in the following ways:

- Whole group instruction & reinforcement of skills
- Small group instruction, reinforcement & intervention
- Individual/Independent instruction, reinforcement & intervention
- Tool that meets differentiation needs

Please look at the Odyssey skills below. Place a check by the skills that you feel comfortable and competent with performing:

- _____ Logging-on to Odyssey
- _____ Setting up a class
